**WILDERNESS, GARDEN ROUTE – 17 JANUARY 2013** – Wilderness Manor today announced that it was chosen as a winner in the B&B and Inns category by TripAdvisor in its 2013 Travellers' Choice® awards.

Now in its eleventh year, the annual TripAdvisor Travellers' Choice awards honour the world's best hotels, earning their distinction from those who know them best – real travellers. Unlike any other hotel honours, TripAdvisor Travellers' Choice winners are based on millions of valuable reviews and opinions from travellers around the world.

“TripAdvisor is once again thrilled to recognise the world's most outstanding hotels with the help of more than 75 million reviews and opinions from travellers around the globe,” said Christine Petersen, president, TripAdvisor for Business. “From the best bargain hotels to top luxury properties, outstanding service, value and quality are the hallmarks of our Travellers' Choice winners.”
